

Welcome to Heart of Iowa's Internet Service!

Here is your network login information. Please store in a secure place.

Network Name: _____

Password: _____

Make the most of your new network with the CommandIQ App

Thanks for choosing Heart of Iowa for your internet service. You are getting the best internet and Wi-Fi experience possible. Now that your professional installation and whole home Wi-Fi optimization is complete, you're ready to start tailoring your Wi-Fi.

Before you begin your Heart of Iowa internet service, download the CommandIQ Wi-Fi app now.

STEP 1

Go to the app store.

STEP 2

Search for CommandIQ Wi-Fi app.

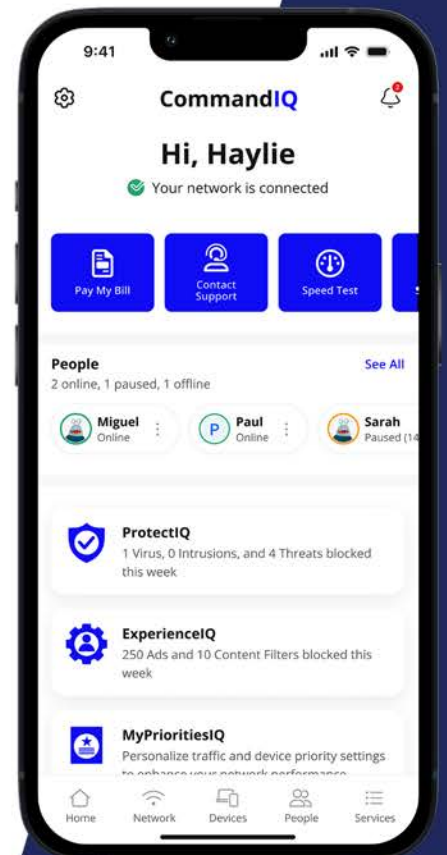

STEP 3

Download the app!

For detailed app setup instructions, review the CommandIQ app quick start guide.

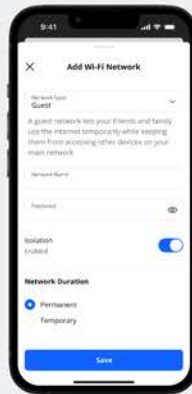

For service assistance please call 641-486-2211 or visit us online at heartofiowa.coop

Experience the True Power of the CommandIQ App

Check your internet speed.

Run bandwidth tests to monitor your network performance and give bandwidth priority to specific devices.

Easily set-up a guest network.

Keep your network passwords secure by setting up separate guest networks for your visitors.

View and manage all devices connected to your network.

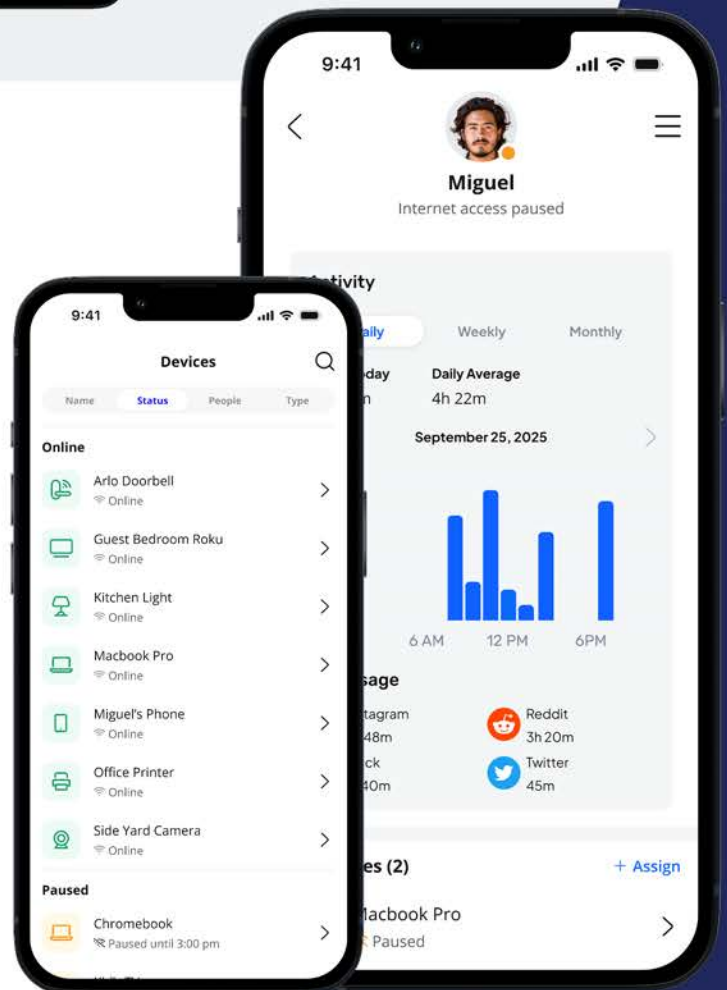

Track a device's bandwidth usage, pause its network access, or disconnect it.

Set parental controls.

See what apps your kids are using, how long they're used for, and tailor their experience by blocking inappropriate sites and content, or setting usage limits.

Active threat protection.

View total threats, intrusions, and viruses blocked over time. You can even see protected devices and total protection uptime.
